Report of AS activities 2022 and  
PROJECTS for 2023

**Report of Activities 2022 :**

1/ Number of meetings of the "AS Bureau" 5

2/ Decisions taken in 2022 :

▶ L'ASSO requires that feedback be given directly to them in French or English and sent directly to the AS email address as opposed to making remarks at the clubhouse. All official feedback sent to the email address will be responded to. [assobarthe1744@gmail.com](mailto:assobarthe1744@gmail.com)

▶ New local rules were voted in and agreed : Placing only permitted on the fairways. On hole 1 if your ball is in front or in-line with the electric fence and your swing is affected by it, you are permitted a free drop to your nearest point of relief, which must not be closer to the hole. If your ball is beyond the fence it is out of bounds (you should consider a provisional ball to avoid an additional penalty.)

▶ Handicaps used for club competitions could be limited to 32 or 28 (depending on the time of year) with only  $\frac{3}{4}$  of the handicap being allowed as shots received.

▶ Competition prizes : Prizes will only be awarded to those winners actually present for the prize giving.

▶ Internal Club Competitions, individuals and pairs: once the competitions have got underway they will be completed unlike 2022. Players who sign up of their own accord won't be able to complain about the rules and running of the competition and may risk being disqualified, however all feedback and remarks sent to the AS email address will be taken on board and in turn we will do our best to communicate all details before the competitions get started.

▶ Classements Rules: minimum 2 players, sign up before in the clubhouse paying 3 ou 5 euros and then putting in a card at the end signed by the player and the scorer.

14 Race to Tombeboeuf classements of 18 holes and 14, 9 holes - prizes to be awarded for the first three winners on a stableford basis.

On the 18 hole classements - 122 entries from 45 players

On the 9 hole classements - 38 entries from 21 players

Compétitions : everything proposed in the calendar went ahead, 9 competitions including the PROAM, October Rose - (we were very lucky with the weather!) 2 of the competitions were official in terms of counting towards handicaps.

The ladies participated in this year's Ladies' Interclub and finished in 2nd place.

Well done also to Nico the greenskeeper for his excellent achievements in the Handi Golf French championships.

### **PROJECTS 2023 (challenges/opportunities for the new team to manage) :**

- 1/ Re-look at the PROAM format for this year in terms of financials and feasibility, secure the sponsors etc.
- 2/ Continue running this year's competitions with more events taking place in the department for juniors.
- 3/ Add in another classement type event either in May or June.
- 4/ Pick up the internal competitions ,individuals and pairs in order to determine the club champions with the idea of having names and scores engraved on a new GDB winners board.
- 5/ Enhance the value for the winners (stableford) of the classements in terms of better prizes. In collaboration with Michael and Samantha options are for example to win a contribution towards the annual membership. Trevor King has agreed to be responsible for this element, thank you Trevor.
- 6/ Thought and consideration around how to handle rewarding winners of competitions who have not done at least 2 classements in 2023 before the beginning of June for example.
- 7/ Equipment and associated fees for the participation of the teams representing Barthe in the regional competitions.
- 8/ Look at acquiring large mirrors to improve the practice experience.
- 9/ During the summer months perhaps every 2 weeks the AS look to organise an informal mini competition on several holes perhaps 6-9 with say 3 clubs follower by snacks and drinks. All ideas most welcome.
